

1<sup>st</sup> June 2010.

Dear Valued Customers & Business Partners,

To seek abreast with today's ever-changing global economy, Matrix Technologies seeks to constantly better itself by responding proactively to the needs of its customers, through dynamic innovation in design, process and technology.

Speed, Quality & Cost Effectiveness are three key consideration factors for every customers, as well as the hallmark and cornerstone of Matrix's Technologies belief. In line with this belief, Matrix Technologies is proud to announce its accreditation of ISO 9001:2008.

Through the optimization of its Quality Management System (QMS), Matrix Technologies continues to be in the forefront of the precision industries, by maintaining and improving quality standards as well as streamlining policies and practices to better serve and surprise its customers.

It is also important for you to know that we remain steadfast in our commitment to constantly deliver the level of service and support our customers and partners have come to expect from us.

Moving forward, we will continue to innovate for growth and provide value to our customers with the quality standard and services.

We wish our customers and business partners much success ahead and looking forward to your continued support.

Thank you,

Wui Lee Tan ,  
Business Manager

PS: Enclosed is a copy of our company ISO 9001:2008 certification for your records.
